AHIOS ANNOUNCES NEW MEMBER

Medi-Copy Services Inc. Joins Leading Industry Association to Establish Standards of Excellence for Release of Information Industry

BOSTON, Mass., September 7, 2010 — The Association of Health Information Outsourcing Services (AHIOS), an organization committed to promoting excellence in the handling and dissemination of confidential patient-identifiable information, today announced that Medi-Copy Services Inc. (MCSI) has joined its growing association.

Lead by Elliot Holt, MCSI has offered Release of Information (ROI) services for hospitals and physician offices for the past decade. The Nashville-based company conducts business in its home state of Tennessee, in addition to Alabama, Georgia, and Kentucky. Besides its ROI services, Mr. Holt and his experienced team provides counsel with Recovery Audit Contractor (RAC) audits and Electronic Medical Record (EMR) conversion.

“Medi-Copy Services Inc. is eager to become a member of AHIOS and help pioneer the way of the industry,” proclaimed Mr. Holt, Chief Executive Officer, MCSI. “Not only do I expect to learn a great deal from the AHIOS members, but I’m also excited to share my contribution to the growth of our trade.”

For more than a decade, AHIOS has worked to sustain its mission by increasing awareness of the value, importance and complexity of the outsourcing industry and establish standards of excellence in the release of medical information process. One of the most critical components of the organization’s mission is to pursue fair and equitable treatment of the outsourcing industry through legislative, regulatory and legal processes.

“Our members are delighted to welcome MCSI to our expanding organization,” remarked Matt Rohs, President of AHIOS. “MCSI will be an ally in promoting and enhancing our mission of informing the healthcare industry about critical issues pertaining to the release of medical records. As ROI continues to

be a crucial element in the changing makeup of healthcare, it is essential to have members like MCSI contribute to the sustainability of this industry via the works of our association.”
