Resolve*ROI* Joins AHIOS

Newest Member of Association to Work with Other Executives at the Industry's Premier HIM Outsourcing Organizations to Promote Excellence in PHI Disclosure Management

BOSTON, November 21, 2019 — The Association of Health Information Outsourcing Services (AHIOS), an organization of executives from the leading health information management (HIM) outsourcing companies who promote excellence in managing risk and compliance issues around disclosure of Protected Health Information (PHI) announced that Resolve*ROI* has joined the growing association.

Resolve*ROI* is a privately held Release of Information (ROI) company located in Savannah, Georgia serving clients nationwide with client-centric solutions that maximize data security, improve staff productivity and increase revenue. The company provides access to detailed analytics, extensive reporting capabilities, and real time information enabling total transparency and offers a complete range of options from in-house operation support to total outsourcing.

"We are proud to be a member of AHIOS and contribute to the association's important work in ensuring standards of excellence for the entire ROI industry" said Jim Jones, President of Resolve*ROI*. "We are looking forward to working with AHIOS members in an exchange of ideas to elevate the landscape for HIM professionals and our client organizations."

"In today's challenging healthcare environment with ever-increasing and complex compliance and quality assurance issues, the need for ROI outsourcing is greater than ever before," said Carlos Rodriguez, president of AHIOS. "At this juncture, it's crucial that the ROI industry comes together to deliver the highest quality services and create a more efficient healthcare system amidst the changes of reform. Resolve*ROI* is a wonderful example of a company that will strengthen our advocacy and education initiatives for the ROI industry and that will help us address complex quality assurance and compliance issues that are essential to the work of our member organizations and the entire healthcare industry."

About the Association of Health Information Outsourcing Services (AHIOS)

Established in 1996, AHIOS promotes, strengthens and enhances the health information management outsourcing industry while ensuring excellence in managing risk and compliance issues associated with the disclosure of Protected Health Information (PHI). Its goals are to increase awareness of the value, importance and complexity of the industry's services; establish standards of excellence for the industry of health information management outsourcing; pursue fair and equitable treatment of the industry through legislative, regulatory and legal processes; and create educational and networking opportunities for members.
